

## 2009 – 2010 Dues Renewal Notice

Dear Fellow CARPOSA Member,

It is time to renew your membership in CARPOSA (the California Association of Regional Park and Open Space Administrators) for 2009/2010. This renewal will cover the period July 1, 2009 to June 30, 2010.

Dues for an agency membership are \$300 per year. This amount covers as many members of your agency's professional level staff as you wish to include. See the organization's by-laws posted on the website ([www.carposa.org](http://www.carposa.org)) or contact the CARPOSA Secretary if you have any questions about membership eligibility.

Coordinate an agency membership with your colleagues and save! Individual memberships are also available at \$100 per person.

I hope you can join us at our 2010 annual conference, which will be held in beautiful Riverside, California. Conference information is available at [www.CARPOSA.org](http://www.CARPOSA.org).

Please send in your membership renewal, and join us at the conference in September.
